

RESIDENTIAL 10-YEAR LIMITED WARRANTY

Permanently installed Staron® Solid Surfaces sheets and shapes (the “Product”) are warranted by LOTTE ADVANCED MATERIALS in the United States and Canada to the original owner. Staron® Solid Surfaces must be fabricated and installed by Staron® CFI (Certified Fabricator Installer), used and maintained in accordance with instructions provided by LOTTE ADVANCED MATERIALS. LOTTE ADVANCED MATERIALS at its sole option will repair or replace, without charge, such Product if it fails due to a manufacture defect during the first ten(10) years after the date of initial installation. This includes necessary real cost charges needed to repair or replace the Product. Although LOTTE ADVANCED MATERIALS shall make its best effort to repair or replace with the best possible color match to the original as possible, LOTTE ADVANCED MATERIALS cannot guarantee the exact color in the event of repair or replacement. All instructions for filling a claim under this limited warranty are available from your dealer and fabrication/installation source or by contacting LOTTE ADVANCED MATERIALS directly.

This limited warranty is transferable during the 10-year period following initial installation only when the new owner notifies LOTTE ADVANCED MATERIALS in writing.

This warranty excludes the following:

- | | |
|--|--|
| 01. Minor conditions such as stains, scratches, water spots and burns; | 10. Damage caused by excessive heat; or by an act of nature; |
| 02. Failure to comply with LOTTE ADVANCED MATERIALS 's instructions including fabrication, installation, care, maintenance, etc; | 11. Workmanship of Fabricators or Installers; |
| 03. Any products moved from their original place of installation; | 12. Damages from other than manufacturing defect; |
| 04. Failure or dissatisfaction with appearance and performance of joints or seams, or of any adhesive, caulk or other accessory items (except for performance defect arising out of the use of Staron® -brand adhesive); | 13. Any Product installed or located outdoors, such as outdoor kitchens, BBQ work surfaces, or in heated areas such as saunas, steam rooms, and shower pans; |
| 05. Color variation from the sample; | 14. In-Carton products including components made from Staron®; |
| 06. Exact color match as a result of Product replacement or repair is not guaranteed; | 15. Any Product installed in recreational vehicles; |
| 07. Failure caused by other substructure support; | 16. Any Product fabricated and installed in commercial applications; |
| 08. Misuse, abuse (including impact damage and contact with chemical reagents not intended for use with Product); | 17. Fabrication, Installation, Modification or Repairs made by other than Staron® CFI (Certified Fabricator Installer). |
| 09. Improper fabrication, installation, handling or maintenance; | 18. Same color and veined intensity between sheets in SUPREME collection. ((Veining may vary from sheet to sheet and also within a sheet. Special consideration has to be taken into any joint and coved up-stands.) |

LOTTE ADVANCED MATERIALS's obligation hereunder is limited solely to the repair or replacement including necessary reasonable real cost charges of the Products purchased hereunder. Except as to what is stated in this limited warranty herein, LOTTE ADVANCED MATERIALS makes no warranties, express or implied, in respect to the Product, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, and all such warranties hereby are expressly disclaimed. LOTTE ADVANCED MATERIALS does not warrant that the Product will meet the end users' requirements. LOTTE ADVANCED MATERIALS shall not be liable for incidental, consequential, indirect, special, punitive, or exemplary damages of any kind, including lost good will, lost profits, lost business, or other indirect economic damages, and further including injury to property, whether such claim is based on theories of contract, negligence, tort (including strict liability) or otherwise, as a result of breach of any warranty regardless of whether LOTTE ADVANCED MATERIALS was advised, had other reason to know, or in fact knew of the possibility of such damages.
